Use it to contact a Lincoln Concierge, securely manage your Lincoln Automotive Financial Services account, and more. Lincoln Connect™4 also works with the app to let you locate your vehicle, start it, and lock or unlock its doors from virtually anywhere. Combine it with the app and the Lincoln Way Alexa Skill5 to remotely start your vehicle, and more, simply by speaking to your Amazon Alexa enabled device.

You have a personal connection to the latest information about Lincoln vehicles, services and ownership benefits. Simply choose how you’d like to connect, and a highly trained Lincoln Concierge team member will help you explore Lincoln in the way that suits you best. Chat online at Lincoln.com.
