METICULOUSLY CRAFTED

Less than 1% of hides produced globally are selected by a 3rd-generation craftsman at Eagle Ottawa – a tannery since 1865 – then transformed into our exclusive Venetian leather through a process that imparts the softest “hand” and outstanding durability. Custom perforation patterns and precise stitching give our exquisite interiors the perfect finishing touches.

LUXURIOUSLY FINISHED

A specially selected palette of premium multifinish paints is designed to enhance the beauty of every Lincoln Black Label vehicle. Among our collection are several ChromaFlair® paints, which exhibit a wide range of hues depending upon your viewing perspective and the angle of the light. These spectacular paints are truly a sight to behold.
