

Lincoln Certified Pre-Owned Limited Warranty coverage is provided by Ford Motor Company on eligible pre-owned vehicles under the Lincoln Certified Pre-Owned Program. Ford Motor Company will provide for repair or replacement of covered components on the vehicle during the warranty period in accordance with the following terms, conditions, and limitations.

- 1. Warranty Coverage. First, if still in effect, coverage is provided under the remainder of the Lincoln New Vehicle Limited Warranty. (See the New Vehicle Limited Warranty Owner's Guide for details). Second, the Lincoln Certified Pre-Owned Comprehensive Limited Warranty provides coverage until 6 years or 100,000 miles (whichever comes first) from the original Lincoln New Vehicle Limited Warranty start date. Note: The coverage provided by the Lincoln Certified Pre-Owned Limited Warranty is not as extensive as that provided under the New Vehicle Limited Warranty.
2. Repairs covered under the Lincoln Certified Pre-Owned Limited Warranty. Your Lincoln dealer will repair, replace or service all covered components, specified on the reverse, that are found to be defective in factory-supplied materials or workmanship during the applicable warranty period. What is not covered under the Lincoln Certified Pre-Owned Limited Warranty is specified on the reverse.
3. Deductible. Repairs completed under any remaining Lincoln New Vehicle Limited Warranty coverage (if applicable) have a \$0 standard deductible per repair visit. Repairs completed under a Lincoln Certified Pre-Owned Warranty coverage have a \$100 standard deductible per repair visit.
4. Component protection. All components listed under Parts Coverage on the reverse and all Failures except those specifically excluded in the section titled What Is Not Covered.
5. Where to go for covered repairs. Lincoln recommends that you return to your Ford or Lincoln Dealership for repair or service of a covered component. However, covered repairs may be performed at any participating Ford or Lincoln Dealership in the continental United States, Alaska, Hawaii and Canada. If you require assistance in receiving covered repairs or locating the nearest Ford or Lincoln Dealership, Lincoln owners may contact the Lincoln Customer Assistance Center at 800/521-4140. Covered repairs on a Lincoln vehicle are not to be performed by other than a Ford or Lincoln Dealership, except in an emergency (if your covered vehicle is inoperable and all local Ford and Lincoln Dealership service departments are closed).
6. Repairs. All warranty repairs of covered components MUST be made with new or remanufactured parts authorized by Ford Motor Company. In some cases, the use of Ford Authorized Remanufactured products is required after the expiration of the new-vehicle limited warranty.
7. Care of vehicle. Your vehicle must be properly operated and maintained in accordance with the maintenance schedule in the Service Guide, which is part of the owner's guide, for the vehicle. Proof of maintenance may be required in the event a question arises as to whether a malfunction is caused by a defect in factory-supplied materials or workmanship, or lack of proper maintenance. It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Lincoln engineering specifications. Failure to perform scheduled maintenance as specified in the service guide will invalidate warranty coverage on parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your scheduled maintenance guide.
8. 24-hour Roadside Assistance. Services are provided by either Cross Country Motor Club, Inc., Cross Country Motor Club of California, Inc. or Coach-Net Services Group, Inc. and include:
- Flat tire change
- Battery jump-starts
- Towing assistance up to \$100
- Lock out assistance
- Out-of-fuel assistance
- Travel expense reimbursement up to \$500 for up to three days' lodging, meals and rental vehicle for travel expenses accrued when the breakdown occurs 100 miles or more from home
- Destination assistance that covers taxi, shuttle or rental car expense up to \$75 for emergency transportation to the immediate destination
9. Rental car reimbursement. If your vehicle is inoperative and must be kept overnight for a covered repair, including recalls involving a Lincoln Certified Pre-Owned Limited Warranty-covered component, you will be reimbursed up to \$45 per day for up to five days or until repair is complete, whichever comes first.
10. Transferability. This warranty is transferable. If you sell your pre-owned vehicle, the remaining Lincoln Certified Pre-Owned Limited Warranty coverage is in effect for the new owner.
11. Warranty information. You may contact Ford Motor Company about this warranty at: Ford Motor Company, P.O. Box 6045, Dearborn, MI 48121.
