Always begin on a bright note.

Experience from every angle. The 2021 Lincoln Corsair combines spirited agility with responsive adaptability for an exciting ride. Each line you approach. Corsair greets you with a warm embrace. Lincoln Signature Lighting glows beneath the LED headlamps, while illuminated welcome mats and backlit door handles extend an invitation. Within the airy 5-passenger interior, luxurious amenities and serene quietness await. You’ll also enjoy unique elements like an available illuminated Lincoln Star logo shining down on the center console, and beautiful chimes orchestrated by a world-renowned symphony. Chart an exhilarating course for your future in Corsair.

THRIVE WITH LINCOLN DRIVE MODES

Corsair puts the power to adapt right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode, and the system adjusts traction control, steering and pedal response, available Intelligent AWD and available adaptive suspension settings, even the sound of the engine, to help provide a remarkable driving experience.

Grand Touring models also feature additional drive modes. “Preserve EV” mode can help recharge the vehicle up to as much as 75% by saving battery power for later use. “Pure EV” mode offers a quiet, all-electric drive well-suited to your shorter trips around town. That’s two intelligent modes, for one extraordinary drive.

SPARK YOUR SOPHISTICATED SIDE

When innovation sits at the table of luxury, astonishing things will happen. Introducing the Lincoln Corsair Grand Touring plug-in hybrid. Agile but smooth. Sporty but elegant. Powerful but graceful. This is a hybrid in more ways than one. Corsair Grand Touring seamlessly blends an advanced hybrid powertrain with an impressively vigorous electric motor to offer you effortless acceleration, electric AWD, and a peaceful cabin.

Go ahead, make a grand escape.

TURBOCHARGE YOUR DAY

For an exhilarating ride, select the available 295-horsepower Turbocharged 2.3-liter I-4. It’s paired with an 8-speed SelectShift® automatic transmission and intelligent all-wheel drive (FWD) or available intelligent AWD. Equipped with the 2.3-liter, Corsair has an EPA-estimated rating of 20 city/28 hwy mpg. No matter which engine you choose, Corsair offers smooth acceleration, plus hug-the-road performance, for an energetic and seemingly frictionless driving experience.

DISCOVER YOUR INNER PEACE

Imagine a space where the sights and sounds you experience gracefully harmonize, offering you a new path to tranquility. Corsair is designed to be that place. An Integral Bush Rear Suspension is designed to absorb impact and vehicle body motions in a way that helps make driving over most obstacles and road conditions as comfortable as possible. Plus, with sound-dampening materials and Active Noise Control, your driving space becomes a place of serenity and repose. Welcome to your personal Zen garden.
BREAKING YOUR HORIZONS
Sweeping cityscapes are only the beginning. The interior of Corsair is designed to enhance every view. Its dramatic horizontal lines are accentuated by details like Pinstripe Aluminum or available Paldao Wood. Relax in available Perfect Position 24-way power front seats with Active Motion® massage functionality. Select your heating and ventilation preferences and 3 massage settings with 3 intensity levels. Then, customize the details you want to see on the available Head-Up Display, from driving information to available Adaptive Cruise Control settings. On the right side of the Vision steering wheel, you'll find buttons for your music, phone and more that illuminate as needed to help guide you. There's even an available wireless charging pad inside the center console. And each time you return, Corsair can recall over 80 available feature settings saved to your Personal Profile.

STAY INFORMED AND ENTERTAINED
SiriusXM® gives you ad-free music, plus sports, comedy, news and talk – inside your Corsair and on the go – with a 3-month All Access trial subscription. With the available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription to SiriusXM Traffic and Travel Link® services.

ENGAGE WITH DYNAMIC AUDIO
The available Revel® Audio System delivers finely crafted sound in full. With personalized listening modes like “Stereo,” “Audience” and “Onstage,” you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 14 carefully placed speakers, cabin correction tuning, QuantumLogic® Surround sound technology and Revel Waveguides. You won't just hear the level of precision and musical accuracy – you'll feel it.
ENRICH YOUR TRAVELS

Whether you’re making the most of some alone time or sharing a journey with friends, Corsair’s Pano Vista Roof® and available heated rear outboard seats help you increase the spacious feeling inside the cabin at the push of a button. Available heated rear outboard seats help keep passengers cozy no matter the forecast. And when the need arises, you can slide the rear seats forward 6” to take advantage of up to 34.0 cu. ft. of rear cargo space. That’s enough room to carry 4 large suitcases while still seating 4 of your friends. To fold the rear seat backs down, just press the available EasyFold® release buttons and you’ll have up to 57.6 cu. ft. of space to fill. Corsair even offers you effortless access to the cargo area, raising its available hands-free liftgate with just a kick of your foot beneath the rear bumper.

Connect and Command
SYNC 3 voice-activated technology connects your tech with your Corsair, and puts you in control of calls, music and more with the tap of a button or voice commands. You can also tap the steering wheel or the massive 8” touchscreen. Take full advantage of compatibility with Apple CarPlay® for your iPhone. It is also compatible with Android Auto™

In-App and in Control
Corsair also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.® The system works with your Lincoln Way™ App and many others. You can use it with the Waze™ community-based traffic and navigation app if it works with the Lincoln+Alexa app, so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Corsair. Waze requires device with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.
