ALWAYS BEGIN ON A BRIGHT NOTE

MKZ celebrates your arrival with a graceful illumination sequence. As it senses your approach, exterior signature LED signature LED lamps fade on, while illuminated welcome mats and backlit door handles extend an invitation. After you’ve closed the door and relaxed into luxurious Bridge of Weir ™ leather-trimmed seating,1 the autofold heated sideview mirrors with memory deploy to your personalized settings. Begin each journey with uplifting moments like these in the 2020 Lincoln MKZ.

1 Available feature.
**DISCOVER YOUR SANCTUARY**

Imagine a place specially designed to offer a relaxing respite from the hustle and bustle of daily life. Lincoln artisans crafted the beautifully soothing interior of MKZ to be just such a space. To help keep road noise at bay, the aerodynamic sideview mirrors are designed to deflect wind noise, while sound-absorbing materials throughout the body join with Active Noise Control to enhance the cabin's ambience. For a luxurious grip on your driving, the heated steering wheel is wrapped in hand-stitched Wollsdorf leather. MKZ also offers a power moonroof that's paired with a rear-window power sunshade, which is easily deployed from the driver's seat.

**STAY INFORMED AND ENTERTAINED**

SiriusXM® gives you ad-free music, plus sports, comedy, news and talk — inside your MKZ and on the go — with a 6-month All Access trial subscription. With the Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription to SiriusXM Traffic and Travel Link® services.

**ENGAGE WITH EXCLUSIVE AUDIO**

Lincoln is the only automaker to offer you the Revel® and Revel® Ultima audio systems. You won’t just hear their expertly engineered levels of precision and musical accuracy — you’ll feel it. With patented Clari-Fi™ music restoration technology that enhances satellite radio, streaming services, MP3s and other digital sources — for clear, wide, dynamic sound.
Ease into your elegant new surroundings, taking a moment to appreciate your new home as you open the fully retractable panoramic glass roof with the largest opening in the class. MKZ can also help you melt away stress and muscle fatigue with the Active Motion® massage functionality of its multicontour front seats. Heated rear outboard seats comfort your passengers, while a 110V power outlet and 2 USB ports located on the back of the floor console allow them to conveniently charge their devices.
EMBRACE YOUR POWER
MKZ is a driver’s car with the desire to excite, and the ability to deliver. Combine the Twin-Turbocharged 3.0-liter V6 engine with Intelligent all-wheel drive (AWD), and you’ll have an impressive 400 horsepower1 and 400 lb.-ft. of torque1 at your disposal. You can even take control of the 6-speed SelectShift® automatic transmission by tapping the steering wheel-mounted paddle shifters for a more exhilarating ride.

TURBOCHARGE YOUR DAY
Twin-scroll turbocharging helps the standard Turbocharged 2.0-liter I-4 engine provide 245 horsepower2 and 275 lb.-ft. of torque while direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) help contribute to efficiency. Paired with the 2.0-liter, MKZ has an EPA-estimated rating of 20 city/31 hwy/24 combined mpg.3 Actual mileage will vary. EPA-estimated rating of 42 city/39 hwy/41 combined mpg, 2.0-liter HEV. Actual mileage will vary. Results may vary depending on driving habits.

ENJOY HYBRID REWARDS
The luxuriously equipped MKZ Hybrid Reserve has an EPA-estimated rating of 42 city mpg.4 It can travel in purely electric mode at speeds up to 85 mph, and switches seamlessly between its Atkinson-cycle gas engine and electric traction motor as needed. It also charges its own lithium-ion battery—so there’s no need for you to plug it in. To help maximize efficiency, the Regenerative Braking System can capture up to 90% of the brake energy that would normally be lost and repurpose it as power.5 Plus, the SmartGauge® instrument cluster with EcoGuide is designed to help you drive efficiently.
GLIDE EFFORTLESSLY
Imagine yourself calmly in command. MKZ can take you there, courtesy of Lincoln Drive Control featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each drive mode (Comfort, Normal and Sport), while Electric Power-Assisted Steering (EPAS) provides steering response and feedback that feels natural and engaging. When you pair Intelligent AWD1 with the Twin-Turbocharged 3.0-liter V6 engine,1 you also get a sport-tuned suspension and Dynamic Torque Vectoring. Equipped this way, MKZ can send up to 100% of its available rear axle torque to the outside rear wheel while cornering for a smooth, seamless driving experience.

ELEVATE ITS DESIGN
Enhance the standout looks of MKZ with your choice of elegantly designed packages. A new Monochromatic Package, available only with Infinite Black (shown above) or White Platinum exterior paint, features a unique body-color upper grille set off by 19” fully polished Black alloy wheels with 18” fully polished alloy wheels. When you select the Magnetic Package (shown at right in Red Carpet), a Light Magnetic upper grille and 19” 10-spoke machined-face alloy wheels with Magnetic-painted pockets work together to give your MKZ truly captivating style.
COMMAND: WITH YOUR VOICE
SYNC 3 voice-activated technology connects your tech with your MKZ, and puts you in control of calls, music, and more with the tap of a button and simple voice commands. You can also tap into the stunning 8” touchscreen. To see your phone’s familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay™ for your iPhone or Android Auto™ for your Android™ smartphone.

LINK: TO WHAT MATTERS MOST
MKZ also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink. The system works with your Lincoln Way™ App and many others. You can use it with the Waze™ community-based traffic and navigation app on your iPhone. It also works with the TIDAL® app for high-fidelity music streaming. Use it with the Lincoln+Alexa app to ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your MKZ.

CONNECT: WITH IN-VEHICLE WI-FI
Since MKZ has the ability to seat up to 5 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect™ with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once. So everyone can enjoy their favorites—from inside of MKZ and up to 50’ away.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY | LINCOLN WAY APP | WAZE | TIDAL | LINCOLN+ALEXA | 4G LTE WI-FI HOTSPOT CAPABILITY

1. Don’t drive while distracted. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Apple CarPlay™ is a trademark of Apple Inc. and is licensed to Ford Motor Company. Android Auto™ is a trademark of Google LLC. 1. © 2023 Apple Inc. All rights reserved. 2. © 2023 Android Auto™ LLC. All rights reserved.

2. Requires device with active data service and compatible software. SYNC 3 cannot control all third-party apps or features, see use case details for important limitations. Third-party apps are not supported on MY21 Lincoln. Features are downloaded and updated with latest phone software, since then may vary by model year, model, region, network service, and software compatibility. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.

3. Commands may vary by phone and AppLink software.

5. Waze is available via iPhone with SYNC 3 and on Android Auto. Commands may vary by phone and AppLink software. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.

6. Don’t drive while distracted or while using handheld devices. Use voice controls. Certain Alexa functionality is dependent on smartphone and home technology.

7. Certain restrictions, 3rd-party terms and data rates may apply. See footnote 3 on the page titled “Standard Features,” and your Lincoln Dealer for details.

8. Don’t drive while distracted or while using handheld devices. Use voice controls.
Our extensive collection of driver-assist technologies\(^1\) utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2020 Lincoln MKZ.

**STANDARD LINCOLN CO-PILOT360™**

From help lighting up the night to staying on course, taking the guesswork out of what’s behind your vehicle and more, every MKZ driver can benefit from our Lincoln Co-Pilot360 suite of driver-assist technologies, which includes:

- **Auto High-beam Headlamps**
- **Blind Spot Detection with Cross-Traffic Alert**
- **Lane-Keeping System**
- **Pre-Collision Assist with Automatic Emergency Braking**
- **Rear View Camera**

**ADDITIONAL ASSISTANCE**

Who hasn’t been frustrated by a traffic backup? Or by trying to find a parking space – and maneuver into it – on a busy street? These features are designed to help with those moments and more:

- **Adaptive Cruise Control with Stop-and-Go**
- **Auto Hold**
- **Enhanced Active Park Assist\(^2\)**
- **Rain-Sensing Windshield Wipers**
- **Reverse Sensing System**

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Always be alert.
