Always begin on a bright note

Expressive from every angle, the all-new 2020 Lincoln Corsair combines spirited agility with responsive adaptability for an exciting ride. Each time you approach, Corsair greets you with a warm embrace. Lincoln Signature Lighting glows beneath the headlamps, while illuminated welcome mats and backlit door handles extend an invitation. Within the airy 5-passenger interior, luxurious amenities and serene quietness await. You'll also enjoy unique elements like an illuminated Lincoln Star logo shining down on the center console, and beautiful chimes created exclusively for Lincoln by the world-renowned Detroit Symphony Orchestra. Chart an exhilarating course for your future in Corsair.

1 Available feature.
BROADEN YOUR HORIZONS
Sweeping cityscapes are only the beginning. The interior of the all-new Corsair is designed to enhance every view. Its dramatic horizontal lines are accentuated by details like Pinstripe Aluminum or Paldao Wood. Relax in your Perfect Position front seats with Active Motion, heated and ventilated settings, and 24-way adjustability. Then select from 5 massage settings with 3 intensity levels. You can customize the details you want to see on the Head-Up Display, from driving information to Adaptive Cruise Control settings and more. On the right side of the Vision steering wheel, push the buttons for your music, phone and more that illuminate as needed to help guide you. There’s even a wireless charging pad inside the center console. And each time you return, Corsair will recall your Personal Profile settings, whether you enter with the Intelligent Access fob or your Phone As A Key.

STAY INFORMED AND ENTERTAINED
SiriusXM gives you ad-free music, plus sports, comedy, news and talk — inside your Corsair and on the go — with a 6-month All Access trial subscription. With the Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 6-year subscription to SiriusXM Traffic and Travel Link® services.

ENGAGE WITH EXCLUSIVE AUDIO
Lincoln is the only automaker to offer you the Revel® Audio System experience. Choose your level of immersion with personalized listening modes like “Stereo,” “Audience” and “On Stage.” In every mode, outstanding, multi-dimensional sound is delivered courtesy of 14 carefully placed speakers, advanced cabin correction tuning, QuantumLogic® Surround sound technology, and Revel Waveguides. You won’t just hear the level of precision and musical accuracy — you’ll feel it.
ENRICH YOUR TRAVELS

Whether you’re making the most of some alone time or sharing a journey with friends, Corsair offers the functionality and flexibility you need to optimize every experience. A panoramic Vista Roof with power sunshade lets you increase the spacious feeling inside the cabin at the push of a button. Heated rear outboard seats help keep passengers cozy, no matter the forecast. And when the need arises, you can slide the rear seats forward 6” to take advantage of up to 34.0 cu. ft. of rear cargo space. That’s enough room to carry 4 large suitcases while still seating 4 of your friends. To fold the rear seat backs down, just press the EasyFold® release buttons and you’ll have 57.6 cu. ft. of space to fill. Corsair even offers you effortless access to the cargo area, raising its hands-free liftgate® with just a kick of your foot beneath the rear bumper.  

1 Available feature.  

2 Cargo and load capacity limited by weight and weight distribution.
TURBOCHARGE YOUR DAY

The all-new Corsair makes it easy with an all-turbocharged engine lineup. For an exhilarating ride, select the 295-horsepower Turbocharged 2.3-liter I-4. It’s paired with an all-speed SelectShift® automatic transmission and Intelligent all-wheel drive (AWD). The standard 250-horsepower Turbocharged 2.0-liter I-4 also pairs with the six-speed, and your preference of front-wheel drive (FWD) or Intelligent AWD. Equipped with the engine you choose, Corsair offers smooth and effortless acceleration, plus hug-the-road performance, for an energetic and efficiency-packed driving experience.

GLIDE EFFORTLESSLY

To help provide a smooth ride, Corsair features an Integral Bush-Rear Suspension designed to absorb impacts and vehicle body motion in a way that helps make driving over most obstacles and road conditions as comfortable as possible. Torque Vectoring Control actively adjusts the speed between your front wheels for enhanced cornering agility. Adaptive suspension is another seamlessly integrated technology that helps isolate your vehicle from road imperfections, so you can enjoy every ride.

THRIVE WITH LINCOLN DRIVE MODES

Corsair puts the power to adapt right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode, and the system adjusts traction control, steering and pedal response, Intelligent AWD, and suspension settings to help provide a remarkable driving experience. From Normal to Deep Conditions, beautiful animations on the digital instrument cluster help you make your selection, and Corsair takes care of the rest.

Horsepower ratings based on premium fuel per SAE J1349® standard. Your results may vary.

EPA-estimated rating of 22 city/29 hwy/25 combined mpg, 2.0-liter FWD. Actual mileage will vary.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
ELEVATE ITS EXPRESSIVE AESTHETIC

Inspired by human beauty and movement, the S-curves of the Corsair body establish its seductive form and give it the sense of a moving sculpture. The Reserve Appearance Package comprises a unique upper grille design, body-color bumpers and rocker panels, and elegant 20” ultra bright-machined aluminum wheels with Magnetic-painted pockets – all designed to enhance the confident grace of your Corsair.

FIND YOUR INNER PEACE

Imagine a space in which the sights and sounds you experience gracefully harmonize, offering you a new path to tranquility. The all-new Corsair is designed to be that place – where quietness is both heard and seen. A sound-dampening dual-wall dash, an Integral Bush Rear Suspension design, and Active Noise Control each do their part to help provide you with a comfortable space in which to converse, enjoy your music or just bask in the serenity. The visual horizontality of the interior design and its details also evoke a sense of sanctuary.

VENTURE BEYOND BLUE

Evocative of the gorgeous hues of the Mediterranean Sea, the Beyond Blue Interior Package features premium leather-trimmed seating and more, set within a dramatic environment of Beyond Blue and Ebony elements. Cashmere Pinstripe trim artfully accentuates the horizontal nature of the interior design, while bright scuff plates inside the cargo area add a gleam reminiscent of sunshine on tropical waters. Travel in a setting that sets you apart – Beyond Blue.
COMMAND: WITH YOUR VOICE
SYNC 3 voice-activated technology connects your tech with your Corsair, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 8” touchscreen. To see your phone’s familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay® for your iPhone® or Android Auto™ for your Android™ smartphone.

LINE: TO WHAT MATTERS MOST
Corsair also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink®. The system works with your Lincoln Way™ App and many others. You can use it with the Waze™ community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app, so you can ask Alexa to play music, listen to audiobooks, check the weather, control home devices and more while inside your Corsair.

CONNECT: WITH IN-VEHICLE WI-FI
Since Corsair has the ability to seat up to 5 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect™ with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once. So everyone can enjoy their favorites – from inside of Corsair and up to 50’ away.

APPLE CARPLAY & ANDROID AUTO COMPATIBILITY | LINCOLN WAY APP | WAZE | LINCOLN+ALEXA | 4G LTE WI-FI HOTSPOT CAPABILITY

*Don’t drive while distracted. Use voice-operated systems when possible. Do not launch or access a mobile application while driving. Not all features are compatible with all phones.
