The feeling of rejuvenation. It’s yours for the taking, anytime you’d like. Simply slip behind the wheel of the 2016 Lincoln MKX. Embrace the quiet confidence, the comfort and the effortlessly engaging drive delivered by its new collection of remarkable features. As the most advanced Lincoln MKX yet, it influences in ways you’ll find truly empowering. Ways designed to inspire extraordinary drives – and exceptional experiences. The entirely new Lincoln MKX. The feeling stays with you.
IN THE EXHILARATING PLACE WHERE ELEGANCE AND INTENSITY CONVERGE, REMARKABLE IDEAS TAKE SHAPE.

Ideas like the entirely new Lincoln MKX. With its gracefully modern execution of the split-wing front grille and its athletically wide shoulders, the 2016 Lincoln MKX elegantly exudes a sense of power and agility. Artfully framing the front grille, the beauty of its adaptive LED headlamps' extends far below their surface. For starters, LED lamps are 50% more energy efficient and rise to full intensity 10 times faster compared to conventional incandescent bulbs. Plus, the adaptive feature of these headlamps automatically expands their low-beam light pattern when you’re traveling at low speeds to help in environments that might include sidewalks or pedestrians.
YOU KNOW HOW IT FEELS TO WEAR CUSTOM-TAILORED CLOTHING?
IT’S A LOT LIKE THAT.

A quiet confidence rises from within as you step inside Lincoln MKX. Its open and spacious, yet warmly enveloping environment is the stunning work of passionate artisans and skilled craftsmen.

The finest Bridge of Weir Deepsoft™ leather1 trims the 22-way multicontour front seats with Active Motion®1 which include power head restraints and power thigh extenders for customizable comfort. The Active Motion feature helps reduce muscle fatigue in your legs and lower back. You’ll really appreciate it on longer drives.

Careful placement of the sleek push-button shift transmission controls enabled the creation of a dramatic, flowing suspension bridge between the instrument panel and the center console. And opened up 2 levels of easily accessible storage space for your essentials.

MYLINCOLN MOBILE APP

Imagine if your vehicle could be ready to go before you were – warmed up or cooled down to your pre-selected settings. All it takes is your smartphone and the MyLincoln Mobile™ app® enabled by an embedded modem.1,2 You can use it to program your Lincoln MKX to start remotely at a specific time – repeating daily or weekly. Remotely lock and unlock the doors, locate where it’s parked, even set up parking meter reminders, all with a few taps on your smartphone screen.

---

1Available feature. 2Mobile app, compatible with select smartphone platforms, is available through a free download. The embedded modem is included in the Reserve Equipment Group only. Service included for 4 years. Text and data rates apply to usage. Services may be limited by mobile phone network coverage area.
360 DEGREE CAMERA

Get familiar with your surroundings. The 360 Degree Camera on Lincoln MKX merges the views from 4 cameras – 1 in the front, 1 on each sideview mirror and 1 in the back – to create a bird’s-eye view of your vehicle and its surroundings. Displayed on the 8” color screen, it even offers visual guides to help you gauge the distance between objects and your vehicle.  

SPLIT-VIEW DISPLAY

Get a wider perspective. With a push of the 360 Degree Camera button, you can switch to a 180-degree view from either the front or the rear camera. This wide-angle view lets you see around corners and other vehicles to check for approaching cross traffic. It can help you make informed decisions when your visibility is limited.  

Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
PARKING LINCOLN MKX IS EASIER THAN EVER THANKS TO THE ULTRASONIC SENSORS AND OTHER ADVANCED FEATURES OF ITS ENHANCED ACTIVE PARK ASSIST.¹

When you want to parallel park, the system can help by identifying spots that are the right size, then steering the vehicle into place. All you need to do is follow on-screen prompts, and operate the accelerator, brake and shifter as needed.

Pulling your Lincoln MKX out of tight parallel parking spots is also easier with this system, since it can provide steering assistance for that type of maneuver as well.

Backing into a perpendicular parking spot in Reverse is yet another instance where you'll really appreciate the steering assistance of this system.

As you maneuver in and out of tight spaces, the system emits beeping tones to alert you to objects near the front, rear or sides of the vehicle.

¹Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
Life can get hectic. Experience an entirely new level of poise in the 2016 Lincoln MKX. **Pre-Collision Assist with Pedestrian Detection**\(^1\)\(^2\) fuses information from its camera and radar technology to help you handle various driving situations – in and out of the city. The system monitors your vehicle’s proximity to other vehicles, as well as to pedestrians. If a potential collision is detected, collision warning can alert you with visible and audible warnings, so you can take action. If needed, brake support may help by applying full force when you press the brake pedal. And if the system determines a collision is imminent, active braking may automatically apply the brakes.\(^3\)

Stop-and-go traffic? Take a break from all that braking with **auto hold**.\(^2\) Just press a button to activate it, then come to a complete stop. You don’t need to keep your foot on the brake pedal. Auto hold can keep your vehicle in place – even on a hill – until you press the accelerator. It’s another way Lincoln MKX is innovating your every day.

---

\(^1\)Available feature. \(^2\)Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. \(^3\)While Pre-Collision Assist with Pedestrian Detection may be especially helpful in unexpected situations, it does not replace the driver and has limitations; which include nighttime, low and harsh lighting conditions, vehicles moving in a different direction, and certain weather conditions.
Every now and then, we need a little nudge in the right direction. Fortunately, the Lane-Keeper System can alert you with steering wheel vibration if it detects you drifting out of your lane, and can then apply steering wheel torque to help direct you to steer back into it. The Driver Alert System also uses a forward-facing camera to detect road lane markings, then emits a chime and displays a coffee cup icon in your gauge cluster if it detects that you’ve come too close to – or crossed – the lane markings too many times.

It can be easy to miss when a vehicle has entered your blind spot. Just as the name suggests, BLIS (Blind Spot Information System) helps keep you aware of things that may be out of your line of view. The system alerts you with a light in the corresponding sideview mirror if its radar sensors detect a vehicle. Cross-traffic alert notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you’re slowly backing out of a space.

1Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
2Lane-Keeper System does not control steering.
What could be easier than speaking your mind? Our next generation of voice-activated technology – SYNC® 3 – connects you to the world around you with its straightforward new design and features. Audio, phone, navigation and other functions are concisely presented on the full-color LCD touch screen. Whether you command it using simple, everyday language, or swipe its capacitive touch screen, SYNC 3 delivers high-speed performance. Plus, automatic updates over Wi-Fi help keep it running at its best, so you can keep your eyes on the road and hands on the wheel.

SYNC 3
Place and answer calls, and control music from your USB device or smartphone, all with simple voice commands. New seamless integration with Siri® Eyes Free brings the power of your iPhone® into your vehicle. The Navigation System features maps with pinch-to-zoom capability, makes it easy to enter your destination, find the closest ski resort or golf course, and so much more. SYNC AppLink lets you control compatible mobile apps by voice too.

SIRIUSXM SATELLITE RADIO
Welcome to the World of SiriusXM®. Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You can also listen online and on the SiriusXM app. The Navigation System includes a 6-year prepaid SiriusXM Traffic and Travel Link subscription – the longest of any automobile manufacturer – that gives you detailed traffic and weather information, gas station locations and prices, sports scores and much more.

HD RADIO TECHNOLOGY
Get more of your favorite music with HD Radio™ Technology. By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. Plus, it can display on-screen information such as artist, song title, album name and more. And it delivers it all without the need for a subscription.

1 Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.
2 Available feature.
3 Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. SYNC AppLink is compatible with select smartphone platforms. Commands may vary by phone and AppLink software. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

2.7L ECOBOOST V6

Get the power you demand – and outstanding fuel economy2 – when you opt for the twin-turbocharged direct-injected 2.7L EcoBoost® V6 engine.2 Two turbochargers pump air quickly into the combustion chambers, generating a virtually instantaneous surge of on-demand power. So you get 335 hp,4 380 lb.-ft. of torque,4 and an impressive balance of efficiency and performance.

3.7L V6

The standard 3.7L Ti-VCT V6 engine features twin independent variable camshaft timing that precisely controls when the intake and exhaust valves open and close, helping to optimize fuel combustion, while providing you with 303 hp and 278 lb.-ft. of torque for smooth, responsive passing and merging.

1Requires and only available with 20" wheels. 2EPA-estimated rating: 17 city/26 hwy/21 combined mpg, 2.7L FWD. Actual mileage will vary. 3Available feature. 4Tested with 93-octane fuel.
Lincoln MKX adapts so you don’t have to. Because road conditions are always changing, Lincoln Drive Control™ featuring continuously controlled damping (CCD) uses sensors to read the road – and your driving inputs – every 2 milliseconds, then quickly adjusts the firmness and damping at all 4 wheels to help keep your vehicle in harmony with the road. The system also lets you select between 3 drive modes – Comfort, Normal or Sport – to match your driving style. And electric power-assisted steering (EPAS) automatically adjusts your steering for different driving situations. At the same time, Torque Vectoring Control adjusts the speed between your front wheels for enhanced cornering and agility.²

Sometimes it really pays to go with the flow. Unlike the fixed ratio you get with a mechanical steering setup, adaptive steering¹ is designed to keep pace with changes in your driving style. It dynamically adjusts the ratio between your steering wheel and road wheels to deliver impressive steering performance and responsiveness. When you’re traveling at lower speeds, the ratio is lowered, helping your vehicle feel very agile and fluid, and even making it easier to park. As your speed increases, the ratio increases, helping your vehicle feel taut and stable as it responds precisely to your inputs.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Our exclusive new relationship with Revel is one that elegantly fuses form, function and innovation to create the lasting and emotionally evocative experience of live music.
REVEL® AUDIO¹
13 speakers featuring Point Source Architecture
12-channel Class D amplifier for high efficiency and increased dynamics
Revel signature waveguides on every door ensure the purest performance
Advanced cabin correction tuning helps provide an outstanding listening experience in any seat
QuantumLogic® Surround Sound technology provides multi-dimensional sound from any source or seat

REVEL ULTIMA® AUDIO¹
19 speakers featuring Point Source Architecture for precise imaging
20-channel hybrid amplifier employs both low-frequency Class D and high frequency Class A/B amplification for extraordinary fidelity at any volume
Custom Revel waveguides
QuantumLogic Surround Sound
Elegant aluminum speaker grilles
Patented Clari-Fi™ technology brings compressed music back to life with reconstruction technology that enhances your listening experience of digital music from satellite radio, streaming services, MP3 and more

¹Available feature.
YEARNING FOR MORE MOMENTS OF QUIET CONTEMPLATION? LINCOLN MKX PROVIDES.

From the acoustic-laminated glass featured in its windshield and front doors to its upgraded engine mounts, sound absorption materials in trim panels and spoiler-integrated antenna, the hush is in the details. Engineers and designers painstakingly refined everything from the tuning of its tires to the aerodynamics of its sideview mirrors, even employing the vehicle’s speakers in their quest for quiet. By sending precisely chosen sound waves through the speakers, active noise control cancels out unwanted noise, while at the same time refining engine sounds. The result is a thoroughly calming ambience.

Comforting details continue your day on the right note. Each time you slip behind the leather-wrapped steering wheel, the convenient memory feature discreetly recalls your preferred placement of the power-tilt and -telescoping steering column. Enjoy the visual harmony of its graceful interior lines accented by genuine wood or aluminum trim. And personalize the scene in your choice of 7 hues offered by ambient lighting, which illuminates the footwells, cupholders and controls. It’s easily changed to match your mood.

1 PANORAMIC VISTA ROOF® WITH POWER SUNSHADE
2 INFLATABLE REAR OUTBOARD SAFETY BELTS
3 HEATED REAR OUTBOARD SEATS® WITH RECLINING SEAT BACKS
4 HEATED STEERING WHEEL
5 HEATED AND COOLED FRONT SEATS

Available feature.
Now there’s even more power in your kick. With the foot-activated hands-free liftgate¹ your key fob can stay tucked in your pocket or purse while you simply kick your foot under the rear bumper. The liftgate effortlessly opens, providing easy access to the spacious rear cargo area. The 60/40 split rear seat folds flat to open 68.8 cu. ft. of cargo space for your larger items. Once you’re loaded up and ready to go, you can close the liftgate by pressing a button, or by gently kicking your foot under the rear bumper again.

¹Available feature.
LINCOLN MKX ANTICIPATES YOUR ARRIVAL FROM ABOUT 9' AWAY AND WELCOMES YOU WITH DISTINCTIVE LIGHTING.

Sensors inside the vehicle detect your key fob as you approach, triggering a seamless series of welcoming events that bring your Lincoln MKX to life.

The cabin puts on its own show of welcome with an ambient lighting sequence1 that switches to your chosen color after you start the engine.

Designed to delight all around, its LED exterior lamps gracefully rise to full illumination and certain models feature a signature headlamp light-up sequence1.

A luminous welcome mat featuring the Lincoln logo is cast upon the ground from beneath each of the pedestal-mounted sideview mirrors, silently greeting you.

Close the door and relax into your seat as the auto-folding, power, heated sideview mirrors with memory1 slide into your personalized position.

As you let yourself inside, note the warm glow of the LEDs in the door handle pockets, the intensity of which has been fine-tuned for each exterior color.

Then press the glowing engine start/stop button that’s been anticipating your arrival, and make your getaway in true Lincoln style.

THE LINCOLN PLEDGE

It’s the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we’ll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES²
You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE³
We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation, scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE³
Help is only a phone call away, should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH⁴
At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It’s just another shining example of our commitment to you.

COURTESY VEHICLE⁴
Should your Lincoln require warranty service, you can count on us to be there for you with a courtesy vehicle. It’s just one more way to let you know that we’ll be here for you.

SERVICE PARTS WARRANTY
We’ll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

MYLINCOLN MOBILE APP
Available through a free download to your iPhone® or Android™ device, the MyLincoln™ Mobile app provides easy access to Roadside Assistance, your Lincoln Concierge and other premium Lincoln owner services.

LINCOLN CONCIERGE
As the owner of a Lincoln, you can take comfort in knowing that we’re always by your side. Our caring agents are empowered to handle your concerns – no matter how big or small they may seem.
