DISCOVER YOUR OASIS
As you settle in to this elegant space, take a moment to open the fully retractable panoramic glass roof,\(^1\) which features the largest opening among sedans.\(^2\) You’ll enjoy it in every season from the comfort of your heated and cooled\(^1\) front seats trimmed in luxurious Bridge of Weir\(^{™}\) leather.\(^1\) MKZ is also the only vehicle in its class\(^3\) that can help you melt away stress and muscle fatigue with the Active Motion\(^{®}\) massage functionality of its multicontour front seats.\(^1\) Heated rear outboard seats\(^1\) comfort your passengers. Plus, they can charge their devices with the 110V power outlet\(^1\) and 2 USB ports\(^1\) conveniently located on the back of the floor console.

ENHANCE YOUR SERENITY
For a luxurious grip on your driving, the heated\(^1\) steering wheel is wrapped in hand-stitched Wollsdorf leather. To help soften the glaring rays of the sun, a power rear-window sunshade\(^1\) is easily deployed from the driver’s seat. MKZ can even help you conquer inclement weather with a windshield wiper de-icer\(^4\) and rain-sensing windshield wipers. The acoustic experience stands out as well. From its aerodynamic sideview mirrors helping to deflect wind noise, to the multilayer door seals and sound-absorbing materials throughout its body, MKZ is designed to help keep road noise at bay. Plus, Active Noise Control helps refine engine sounds to enhance the cabin’s ambience. Peace and quiet await – inside MKZ.

\(^1\)Available feature. \(^2\)Based on effective roof opening as measured by Webasto. \(^3\)Class is Luxury Midsize Sedans based on Lincoln segmentation. \(^4\)Standard on turbocharged engines only.
MKZ is a driver’s car with the desire to excite, and the ability to deliver. Equipped with one of the most powerful engines Lincoln has ever produced – the Twin-Turbocharged 3.0-liter V6 – MKZ Reserve II models put an impressive amount of horsepower and torque at your disposal. When the mood strikes, you can take control of the 6-speed SelectShift® automatic transmission with just a tap of the steering wheel-mounted paddle shifters.

Combine the 3.0-liter with Intelligent all-wheel drive (AWD), and you’ll also get a sport-tuned suspension and Dynamic Torque Vectoring. This combination of technologies enables MKZ to send up to 100% of the available rear-axle torque to the outside rear wheel while cornering for a smooth and seamless driving experience. Coupled with the 3.0-liter’s 400 horsepower and 400 lb.-ft. of torque, they provide a thrilling ride.

GLIDE EFFORTLESSLY
Imagine yourself gliding along, calmly in command. MKZ can take you there, courtesy of its Lincoln Drive Control featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes: Comfort, Normal and Sport. With each of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that help you feel confident behind the wheel.

WITH EXHILARATING EFFICIENCY
Get the kind of performance you might expect from a V6, with the Turbocharged 2.0-liter I-4 on MKZ. Twin-scroll turbocharging helps it produce abundant horsepower and torque on command, while direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) contribute to its efficiency. Equipped with the 2.0-liter, MKZ has an EPA-estimated rating of 31 hwy mpg. This standard engine is paired with the 6-speed SelectShift® automatic transmission and your choice of front-wheel drive or Intelligent AWD.

HYBRID REWARDS AT NO EXTRA CHARGE
The only hybrid in its class with the same starting price as its gas-powered counterpart, MKZ Hybrid has an EPA-estimated rating of 42 city mpg. It can travel in purely electric mode at speeds up to 85 mph, and switches seamlessly between the Atkinson-cycle gas engine and an electric traction motor as needed. It also charges its own lithium-ion battery – no need to plug it in. To help maximize efficiency, the Regenerative Braking System can capture up to 90% of the brake energy that would normally be lost and repurpose it as power. Plus, a SmartGauge® instrument cluster with EcoGuide helps you drive more efficiently.

ELEVATED BY DESIGN
To give your vehicle standout looks, the MKZ Reserve Plus Package features a Light Magnetic upper grille and adds uniquely styled 19” wheels. With this package, you’ll also enjoy racing-inspired aluminum brake and accelerator pedal covers, a heated steering wheel, the single-panel power moonroof and more.
