DISCOVER UNCOMPROMISING COMFORT

Nautilus is designed to be your sanctuary, from the sound dampening materials beneath its plush carpeting to the acoustic-laminate glass in its front doors and windshield. The artisans of Lincoln even utilize the audio systems in their quest for quiet. By sending precisely chosen sound waves through your speakers, Active Noise Control helps cancel out unwanted noise and refines engine sounds.

You have an array of sumptuous interior palettes from which to choose, including this rich Coffee-colored luxury leather¹ and Espresso Ash Swirl open-pore wood¹ pairing. Dramatic, flowing suspension bridge-inspired styling connects the instrument panel and center console while creating space for your travel essentials. And it’s easy to keep your devices charged with a wireless charging pad¹,² four 12V powerpoints, 2 smart-charging USB ports, and a 110V power outlet¹.

Your passengers can enjoy the most 2nd-row leg room in the class, while taking advantage of the Lincoln Play with DVD rear-seat entertainment system.¹ Lincoln Play lets them stream content from their compatible devices on vibrant 10" screens securely mounted to the front seat backs. Content can also be accessed via SD card, HDMI input, or USB device.

To access the spacious rear cargo area, simply kick your foot beneath the rear bumper with your key fob tucked away in a pocket or bag. The standard hands-free liftgate effortlessly opens to reveal a flat load floor with both sides of the EasyFold® 60/40 split rear seat folded down. After you’ve loaded your cargo, close the liftgate with the press of a button or another kick.

Nautilus launches with an all-turbocharged engine lineup, putting plenty of power and torque at your command. Select the 335-horsepower Twin-Turbocharged 2.7-liter V6 or the standard Turbocharged 2.0-liter I-4. Either way, you’ll benefit from the combination of turbocharging, direct fuel injection, and twin-independent variable camshaft timing (Ti-VCT).

An 8-speed SelectShift® automatic transmission – all-new for Lincoln this year – is paired with both engines. Designed to provide the right gear at the right time, the 8-speed transmission contributes to the driveability, smoothness and refinement of every Nautilus. Auto Start-Stop Technology can shut the engine off when the vehicle comes to a complete stop to help you save fuel. Equipped with the 2.7-liter, Nautilus has an EPA-estimated rating of 27 hwy mpg.

Intelligent all-wheel drive (AWD) goes beyond maximizing traction. Designed to help save fuel, new AWD disconnect technology operates seamlessly behind the scenes. The system can reconnect when starting from a complete stop, if front wheelslip is detected, and in other moments when AWD capability is beneficial.

Imagine yourself gliding effortlessly along – at peace with your surroundings. Adaptive Suspension can take you there by helping to isolate your Nautilus from road imperfections. Engage the Sport drive mode to enjoy tighter suspension tuning, firmer steering calibration, and more powerful engine sounds in the cabin – all while feeling steadfastly connected to your Nautilus and the road.

1Available feature. 2Horsepower and torque ratings achieved with 93-octane fuel. 3EPA-estimated rating of 20 city/27 hwy/22 combined mpg, 2.7-liter FWD. Actual mileage will vary.
