A warm welcome – and a fresh start.

Even before you open the door, Navigator extends a gracious welcome. Outside, it casts an inviting welcome mat on the ground to illuminate your path, while keyless entry with push-button start makes starting, locking and unlocking your vehicle a breeze. Welcome. We’re glad you’re here.
A refreshed look – with refined power.

Inside and out, Navigator is power, wrapped in beauty. From the redesigned exterior with its signature Lincoln grille and graceful wraparound taillamps, to the bi-functional HID headlamps with LED signature lamps and LED daytime running lamps, Navigator is both stylish and functional. Emotive ambient lighting illuminates throughout, while power-deployable running boards and a power liftgate make entering and loading easy and convenient. On the road, its performance feels just as effortless. The standard 3.5L EcoBoost® V6 twin-turbocharged, direct-injection engine gives you smooth power on demand with 380 hp¹ and 460 lb.-ft. of torque¹ – as well as best-in-class fuel economy.² And that makes every drive better than the last.

¹Using 93-octane fuel. ²EPA-estimated rating: 16 city/22 hwy/18 combined mpg, RWD. Actual mileage will vary. Class is Luxury Extended Utilities.
The inside story on comfort and convenience.
A spacious alternative – with a clear advantage.

Wide-open spaces. That’s what you’ll find here. 3 rows of premium seating with space for up to 8 passengers\(^1\) – and plenty of cargo room – make Navigator spacious enough for everyone and just about everything. Up front, you’re surrounded with genuine wood accents, and embraced with rich, leather-trimmed driver and passenger seats – heated and cooled to 6 settings – and adjustable in 10 ways. Heated, leather-trimmed bucket seats in the 2nd row, and dual-headrest DVD players\(^{1,2}\) make long drives feel like quick jaunts. The 3rd row boasts a standard PowerFold\(^6\) 60/40 split bench that folds flat for storage – and best-in-class\(^3\) leg room thanks in part to the independent rear suspension. Still want more? The Lincoln Navigator L offers 42.6 cu. ft. of total space behind the 3rd row for an extra-spacious alternative, as well as a Cargo Management System to help keep all of your stuff in its place.

\(^1\)Available feature. \(^2\)Lincoln Licensed Accessory. \(^3\)Class is Luxury Extended Utilities.
Powerful pull with beautiful poise.
Fearless performance – with unwavering control.

The 3.5L EcoBoost® V6 engine with twin turbochargers gives Navigator 380 horsepower\(^1\) and 460 lb.-ft. of torque\(^1\) for impressive power and an overall smooth performance. And best-in-class towing lets you tow up to 9,000 lbs.\(^2\) with ease – and without worry – thanks to standard trailer sway control that helps steady your vehicle’s motion. Performance and control you can count on. That’s Navigator.

\(^1\)Using 93-octane fuel. \(^2\)When properly equipped.
A responsive ride – with an independent side.

Everyone has a different driving style, and Navigator responds accordingly. In fact, Lincoln Drive Control with continuously controlled damping\(^1\) lets you choose between 3 drive modes – Comfort, Normal or Sport – to match your style. And, because road surfaces are always changing, the system reads inputs every 2 milliseconds, then quickly adjusts to make sure that your vehicle and the road are in harmony. Electric power-assisted steering – or EPAS – gives just the right amount of steering assistance for your driving situation. And the multilink independent rear suspension gives Navigator a smooth ride, while the rear load-leveling suspension\(^1\) system helps maintain ride height for consistent handling.

\(^1\)Available feature.
A clear focus on high tech.
A seamless connection – with a simple spoken word.

The redesigned Navigator makes staying in touch effortless. Voice-activated, turn-by-turn directions and 3D maps are brought to life through SYNC® with MyLincoln Touch™ while a simple touch of the signature 8” color LCD screen or your voice starts your favorite song from a playlist on your MP3 player piping through your vehicle speakers. Don’t worry – it will fade just enough so you don’t miss a call or incoming text message. The 14-speaker THX® II Certified Audio System with patented THX Slot Speaker™ technology and specialized digital sound processing fills the cabin with studio-quality sound ensuring you experience music exactly as the artist intended. A media hub with USB ports, an SD card reader and an audio input jack lets you plug in your devices. And the standard, voice-activated Navigation System also includes a 6-year subscription to SiriusXM® Traffic and Travel Link® services, which provides traffic alerts on major accidents and road closings, plus fuel prices, sports scores and more.

1Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2Driver-assist features are supplemental and do not replace the driver’s judgment.
A sense of security – from every angle.

BLIND SPOT INFORMATION SYSTEM. Navigator has features that are designed to help you see things that might otherwise be out of view. BLIS® (Blind Spot Information System) uses radar sensors to help you detect when a vehicle is in your blind spot, and then alerts you with a light in the corresponding sideview mirror. And cross-traffic alert lets you know when a vehicle is crossing behind you as you slowly back out of a parking spot, and alerts you with a glowing icon in your sideview mirror and an alarm.

AIRBAGS. With a structural safety cage, dual-stage front airbags for the driver and front passenger, and side-curtain airbags² for outboard passengers in all rows, Navigator gives you added security. In addition, the SOS Post-Crash Alert System™ can unlock doors and flash lights to let others know you need help – in case you can’t.

ADVANCETRAC. Slippery surfaces and emergency maneuvers often require a bit more from your vehicle. Fortunately, Navigator gives you just what you need. AdvanceTrac® with RSC® (Roll Stability Control™) can apply the brakes and reduce engine power to give you more grip on the road, and help you stay on your intended path.

¹Driver-assist features are supplemental and do not replace the driver’s judgment. ²Always wear your safety belt and secure children in the rear seat. ³SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ⁴Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
POWER AND HANDLING

- 3.5L EcoBoost® V6 twin-turbocharged, direct-injection engine
- 380 hp @ 5,250 rpm
- 460 lb.-ft. of torque @ 2,750 rpm
- EPA-estimated fuel economy rating
- Navigator 4x2: 16 city/22 hwy/18 combined mpg (28.0-gal. capacity)
- Navigator L 4x2: 15 city/20 hwy/17 combined mpg (33.5-gal. capacity)
- Navigator 4x4: 15 city/20 hwy/17 combined mpg (28.0-gal. capacity)
- Navigator L 4x4: 15 city/19 hwy/16 combined mpg (33.5-gal. capacity)

- 6-speed SelectShift® automatic transmission
- 3.73 axle ratio

¹SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Ford Motor Company reserves the right to change or discontinue this product service at any time without prior notice or incurring any future obligation. ²Lincoln Licensed Accessory. ³Always wear your safety belt and secure children in the rear seat.
This is our promise – The Lincoln Pledge.

It’s the collective promise of everyone at the Lincoln Motor Company – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we’ll be there for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES
You can rest assured with a 4-year/50,000-mile Bumper-to-Bumper Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile Powertrain Warranty which features no deductible and is fully transferable.

LINCOLN COMPLIMENTARY MAINTENANCE
We are pleased to offer complimentary maintenance for 2 years/24,000 miles. At no charge to you, your maintenance visits will include an oil and filter change, and tire rotation scheduled to accommodate your busy life.

LINCOLN ROADSIDE ASSISTANCE FOR LIFE
Help is only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing to the closest Lincoln dealership – or to your preferred Lincoln dealership within 100 miles. For the original owner, the Lincoln Roadside Assistance program provides these services 24/7 for as long as you own the vehicle – at no charge.

COMPLIMENTARY CAR WASH
At the completion of any service on your Lincoln, drive away from the dealership in a clean vehicle that looks just as beautiful as the day you bought it. It’s just another shining example of our commitment to you.

COMPLIMENTARY LOANER
Should your Lincoln require warranty service, you can count on us to be there for you with a complimentary loaner vehicle. It’s just one more way to let you know that we’ll be here for you.

SERVICE PARTS WARRANTY
We’ll stand behind our service – and you – with a 2-year, unlimited-mile warranty on both parts and labor.

LINCOLN CLIENT RELATIONSHIP CENTER
When you own a Lincoln, you can take comfort in knowing that we’ll be by your side from beginning to end. Our caring agents are empowered to handle your concerns – no matter how big or small they might be.
