Always begin on a bright note

Whatever adventures the day holds for you and your family, the 2020 Lincoln Navigator makes sure they start with a warm embrace. As you approach, Navigator wakes up and presents itself with a friendly greeting. Dynamic signature lighting flows outward beneath the headlamps, while the available illuminated Lincoln Star on the grille glows from within. Power-deployable running boards, backlit door handles, and luminous welcome mats provide a grand entrance. The front door-sill scuff plates and first two rows of safety belt buckles also feature available illumination, and a field of stars dances across your instrument cluster. Celebrate all of your travels together in Navigator.
STAY INFORMED AND ENTERTAINED

SiriusXM® gives you ad-free music, plus sports, comedy, news and talk – inside your Navigator and on the go – with a 6-month All Access trial subscription. With the Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 6-year subscription to SiriusXM Traffic and Travel Link® services.

REVITALIZE IN YOUR SANCTUARY

Every aspect of the Navigator experience is designed with your serenity in mind. Enter using our new Phone As A Key feature, while Navigator recalls your saved Personal Profile settings for the driver’s seat and so much more. Your passenger can also enjoy available 1st-row passenger seat memory, as you both relax into the available 30-way Perfect Position Seats with the most adjustability in the class, plus Active Motion® massage functionality, and heated and ventilated settings. The available Head-Up Display can be customized to help you stay informed, and it’s easily seen in various light conditions. An available 360-Degree Camera lets you see a bird’s-eye view of your vehicle and its surroundings on the high-definition 10” color screen. Plus, you can securely stow and charge your phone on the wireless charging pad inside the media bin.

ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you the Revel® and available Revel Ultima Audio Systems. You won’t find their expertly engineered level of precision and musical accuracy – you’ll feel it. With personalized listening modes, it can seem like you’re in the “Audience” or up “On Stage.” The outstanding, multi-dimensional sound is courtesy of advanced cabin correction tuning, QuantumLogic® surround sound technology, and Revel Waveguides.
CARE FOR YOUR CREW

From epic road trips to everyday errands, your family deserves the luxurious comfort of Navigator. Relaxing is easy with best-in-class 2nd-row leg room, plus an available power panoramic Vista Roof that offers unobstructed views of the sky. In fact, it’s installed 200 square inches larger than the segment average. Plus, Navigator features ample cargo space for whatever you need, including an available tiered cargo area management system that can be configured in 4 ways: as a partition, shelf, or flat load surface, or positioned to help keep items securely inside as the liftgate opens. The available 2nd- and 3rd-row seat buttons can create a flat load floor in a flash — plus, everyone can take advantage of 6 USB ports, four 12V powerpoints and a 110V power outlet for recharging all sorts of devices.

TRAVEL WITH EASE

Simply kick your foot beneath the hands-free liftgate to access the spacious cargo area. Then, press the PowerFold 2nd- and 3rd-row seat buttons to create a flat load floor in a flash. The available tiered cargo area management system can be configured 4 ways: as a partition, shelf, or flat load surface, or positioned to help keep items securely inside as the liftgate opens. Cargo and load capacity limited by weight and weight distribution.
Journey with Confidence

Our extensive collection of standard and available driver-assist technologies utilizes a network of sensors and sophisticated cameras to offer you support during many scenarios. These advanced features are all aimed at helping you feel confident in the 2020 Lincoln Navigator.

**Standard Lincoln Co-Pilot360™**

From helping light up the night to staying on course, taking the guesswork out of what’s behind your vehicle and more, every Navigator driver can benefit from our Lincoln Co-Pilot360 suite of driver-assist technologies, which includes:

- **Auto High-Beam Headlamps**
- **Blind Spot Detection with Cross-Traffic Alert and Trailer Coverage**
- **Lane Keeping System**
- **Pre-Collision Assist with Automatic Emergency Braking**
- **Rear View Camera with Washer**

**Additional Assistance**

Who hasn’t been frustrated by a traffic backup? Or by trying to find a parking space—and maneuver into it—on a busy street? These features are designed to help with those moments and more:

- **Enhanced Active Park Assist**
- **Forward and Reverse Sensing Systems**
- **Rain-Sensing Windshield Wipers**

Navigator Reserve adds:

- **360-Degree Camera with Front Camera Washer**
- **Adaptive Cruise Control with Stop-and-Go**
- **Available Head-Up Display**

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
Imagine yourself calmly in command – at peace with your surroundings. The standard Adaptive Suspension helps take you there smoothly by isolating the vehicle from road imperfections, while enhanced sound-absorbing materials and Active Noise Control help keep road noise at bay. The result is a relaxing atmosphere conducive to quiet contemplation or pleasant conversation. Navigator also reinforces your calm confidence with best-in-class 450 horsepower and 510 lb.-ft. of torque produced by its Twin-Turbocharged 3.5-liter V6 engine. The 3.5-liter is mated to a 10-speed SelectShift® automatic transmission designed to adapt in real-time, engaging the right gear at the right time to deliver the performance you seek.
THRIVE WITH LINCOLN DRIVE MODES
Navigator puts the power to adapt to changing weather and more – right at your fingertips. Simply turn the knob to choose a Lincoln Drive Mode. The system adjusts automatically according to the mode you’ve selected – traction control, steering and pedal response, suspension and available 4-wheel drive (4WD) settings, even the sound of the engine. From Normal to available Slow Climb, 4 beautiful animations on the digital instrument cluster help you make your selection, and Navigator takes care of the rest.

ENHANCE THE WAYS YOU MAKE MEMORIES
With a best-in-class towing rating of 8,700 lbs., Navigator makes it easy to enrich your adventures with family and friends. Much like benefits from our Smart Trailer Tow Connector and trailer sway control technologies. Plus, available Pro Trailer Backup Assist™ lets you rotate a control knob in the direction you want your trailer to go, as the system steers the vehicle to turn the trailer for you! The available electronic traction assist helps with stability in turns, in addition to situations like boat launch ramps. It can shift torque to the wheel with the greatest traction, to help keep you moving.

Max. towing of 8,700 lbs. on Navigator RWD with Heavy-Duty Trailer Tow Package (not shown); max. towing of 8,400 lbs. on Navigator L RWD with Heavy-Duty Trailer Tow Package (shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

When equipped with Heavy-Duty Trailer Tow Package and 4WD.
WITH YOUR VOICE
SYNC 3 voice-activated technology connects your tech with your Navigator, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can tell it to make the desired phone call or send a message. You’ll also enjoy easy access to music and navigation as you travel. In fact, you can take advantage of many familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay® for your iPhone® or Android Auto™ for your Android™ smartphone.

TO WHAT MATTERS MOST
Navigator also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.® The system works with your Lincoln Way™ App and many others. You can use it with the Waze™ community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app, so you can ask Alexa to play music, listen to audiobooks, check the weather, control your devices and more, while inside your Navigator.

IN-VEHICLE WI-FI
Since Navigator offers available seating for up to 8 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect™ with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once. So everyone can enjoy their favorites—from inside Navigator and up to 50' away.
